## TERMS AND CONDITIONS OF YOUR ACCOUNT

**AGREEMENT** - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully and retain it for future reference. If you sign the signature card or open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws, the laws of the state of California and other applicable rules such as the operating letters of the Federal Reserve Banks and payment processing system rules (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

- (1) summarize some laws that apply to common transactions;
- (2) establish rules to cover transactions or events which the law does not regulate;
- (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
- (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document.

As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the

a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

**Overdrafts** - You understand that we may, at our discretion, honor withdrawal requests that overdraw your account. However, the fact that we may honor withdrawal requests that overdraw the account balance does not obligate us to do so later. So you can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past. We can change our practice of paying overdrafts on your account without notice to you. You can ask us if we have other account services that might be available to you where we commit to paying overdrafts under certain circumstances, such as an overdraft protection line-of-credit or a plan to sweep funds from another account you have with us. You agree that we may charge fees for overdrafts. For consumer accounts, we will not charge fees for overdrafts caused by ATM withdrawals or one-time debit card transactions if you have not opted-in to that service. We may use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees.

**Multiple signatures, electronic check conversion, and similar transactions** - An electronic check conversion transaction is a transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation. In these types of transactions the check or similar item is either removed from circulation (truncated) or given back to you. As a result, we have no opportunity to review the check to examine the signatures on the item. You agree that, as to these or any items as to which we have no opportunity to examine the signatures, you waive any requirement of multiple signatures.

**OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION** - These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We reserve the right to refuse some forms of ownership on any or all of our accounts. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds. As used in this agreement "party" means a person who, by the terms of the account, has a present right, subject to request, to payment from a multiple-party account other than as an agent.

**Individual Account** - is an account in the name of one person.

**Joint Account** - This account or certificate is owned by the named parties. Upon the death of any of them, ownership passes to the survivor(s).

**Joint Account of Husband and Wife with Right of Survivorship** - This account or certificate is owned by the named parties, who are husband and wife, and is presumed to be their community property. Upon the death of either of them, ownership passes to the survivor.

**Community Property Account of Husband and Wife** - This account or certificate is the community property of the named parties who are husband and wife. The ownership during lifetime and after the death of a spouse is determined by the law applicable to community property generally and may be affected by a will.

**Tenancy in Common Account** - This account or certificate is owned by the named parties as tenants in common. Upon the death of any party, the ownership interest of that party passes to the named pay-on-death payee(s) of that party or, if none, to the estate of that party.

**P.O.D. Account with Single Party** - This account or certificate is owned by the named party. Upon the death of that party, ownership passes to the named pay-on-death payee(s).

**P.O.D. Account with Multiple Parties** - This account or certificate is owned by the named parties. Upon the death of any of them, ownership passes to the survivor(s). Upon the death of all of them, ownership passes to the named pay-on-death payee(s).

**Totten Trust Account - (subject to this form)** - If two or more of you create this account, you own the account jointly with survivorship. Beneficiaries cannot withdraw unless: (1) all persons creating the account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of all persons creating the account, such beneficiaries will own this account in equal shares, without right of survivorship. The person(s) creating this account type reserves the right to: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at any time.

**Trust Account Subject to Separate Agreement** - We will abide by the terms of any separate agreement which clearly pertains to this account and which you file with us. Any additional consistent terms stated on this form will also apply.

**BUSINESS, ORGANIZATION AND ASSOCIATION ACCOUNTS** - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. You represent that you have the authority to open and conduct business on this account on behalf of the entity. We may require the governing body of the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

**STOP PAYMENTS** - Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because stop-payment orders are handled by computers, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee. You may stop payment on any item drawn on your account whether you sign the item or not. Generally, if your stop-payment order is given to us in writing it is effective for six months. Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. If the original stop-payment order was verbal your stop-payment order will lapse after 14 calendar days if you do not confirm your order in writing within that time period. We are not obligated to notify you when a stop-payment order expires. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

authority to deposit, withdraw, or exercise control over the funds in the account. However, this agreement does not intend, and the terms "you" and "your" should not be interpreted, to expand an individual's responsibility for an organization's liability. If this account is owned by a corporation, partnership or other organization, individual liability is determined by the laws generally applicable to that type of organization. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular.

**BYLAWS** - Our bylaws, which we may amend from time to time, establish basic rules about our credit union policies and operations which affect your account and membership. You may obtain a copy of the bylaws on request. Our right to require you to give us notice of your intention to withdraw funds from your account is described in the bylaws. Unless we have agreed otherwise, you are not entitled to receive any original item after it is paid, although you may request that we send you an item(s) or a copy of an item(s). Dividends are based on current earnings and available earnings of the credit union, after providing for required reserves.

**LIABILITY** - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges, without notice to you, directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft.

You will be liable for our costs as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account. This includes, but is not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account. This also includes any action that you or a third party takes regarding the account that causes us, in good faith, to seek the advice of an attorney, whether or not we become involved in the dispute. All costs and attorneys' fees can be deducted from your account when they are incurred, without notice to you.

**DEPOSITS** - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Before settlement of any item becomes final, we act only as your agent, regardless of the form of indorsement or lack of indorsement on the item and even though we provide you provisional credit for the item. We may reverse any provisional credit for items that are lost, stolen, or returned. Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open. At our option, we may take an item for collection rather than for deposit. If we accept a third-party check for deposit, we may require any third-party indorsers to verify or guarantee their indorsements, or indorse in our presence.

#### **WITHDRAWALS**

**Generally** - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to indorse any item payable to you or your order for deposit to this account or any other transaction with us.

**Postdated checks** - A postdated check is one which bears a date later than the date on which the check is written. We may properly pay and charge your account for a postdated check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. Because we process checks mechanically, your notice will not be effective and we will not be liable for failing to honor your notice unless it precisely identifies the number, date, amount and payee of the item.

**Checks and withdrawal rules** - If you do not purchase your check blanks from us, you must be certain that we approve the check blanks you purchase. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us or by any method we do not specifically permit. We may refuse any withdrawal or transfer request which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. In addition, we may place limitations on the account until your identity is verified.

Even if we honor a nonconforming request, we are not required to do so later. If you violate the stated transaction limitations (if any), in our discretion we may close your account or reclassify it as a transaction account. If we reclassify your account, your account will be subject to the fees and earnings rules of the new account classification.

If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item.

See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts to which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

**TELEPHONE TRANSFERS** - A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. Unless a different limitation is disclosed in writing, we restrict the number of transfers from a savings account to another account or to third parties, to a maximum of six per month (less the number of "preauthorized transfers" during the month). Other account transfer restrictions may be described elsewhere.

**AMENDMENTS AND TERMINATION** - We may change our bylaws and any term of this agreement. Rules governing changes in rates are provided separately in the Truth-in-Savings disclosure or in another document. For other changes we will give you reasonable notice in writing or by any other method permitted by law. We may close this account if your membership in the credit union terminates, or by giving reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items and charges to be paid from the account. Reasonable notice depends on the circumstances, and in some cases such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change or account closure becomes effective. For instance, if we suspect fraudulent activity with respect to your account, we might immediately freeze or close your account and then give you notice. At our option, we may suspend your rights to member services if you violate the terms of this agreement. You must keep us informed of your current address at all times. Notice from us to any one of you is notice to all of you. If we have notified you of a change in any term of your account and you continue to have your account after the effective date of the change, you have agreed to the new term(s).

**STATEMENTS - Your duty to report unauthorized signatures, alterations and forgeries** - You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

**Your duty to report other errors** - In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error - such as an encoding error. You agree that the time you have to examine your statement and report to us will depend on the circumstances. However, such time period shall not exceed 60 days. Failure to examine your statement and report any such errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any such errors on items identified in that statement and as between you and us the loss will be entirely yours.

**Errors relating to electronic fund transfers or substitute checks** - For information on errors relating to electronic fund transfers (e.g., computer, debit card or ATM transactions) refer to your Electronic Fund Transfers disclosure and the sections on consumer liability and error resolution. For information on errors relating to a substitute check you received, refer to your disclosure entitled Substitute Checks and Your Rights.

**ACCOUNT TRANSFER** - This account may not be transferred or assigned without our prior written consent.

**DIRECT DEPOSITS** - If we are required for any reason to reimburse the federal government for all or any portion of a benefit payment that was directly deposited into your account, you authorize us to deduct the amount of our liability to the federal government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

**TEMPORARY ACCOUNT AGREEMENT** - If this option is selected, this is a temporary account agreement. Each person who signs to open the account or has authority to make withdrawals (except as indicated to the contrary) may transact business on this account. However, we may at some time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

**RIGHT TO REPAYMENT OF INDEBTEDNESS** - You each agree that we may (without prior notice and when permitted by law) charge against and deduct from this account any due and payable debt owed to us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we charge

the account, including any balance the due date for which we properly accelerate under the note.

In addition to these contract rights, we may also have rights under a "statutory lien." A "lien" on property is a creditor's right to obtain ownership of the property in the event a debtor defaults on a debt. A "statutory lien" is one created by federal or state statute. If federal or state law provides us with a statutory lien, then we are authorized to apply, without prior notice, your shares and dividends to any debt you owe us, in accord with the statutory lien.

Neither our contract rights nor rights under a statutory lien apply to this account if prohibited by law. For example, neither our contract rights nor rights under a statutory lien apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal arises only in a representative capacity. We will not be liable for the dishonor of any check or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment.

**AUTHORIZED SIGNER (Individual Accounts only)** - A single individual is the owner. The authorized signer is merely designated to conduct transactions on the owner's behalf. The owner does not give up any rights to act on the account, and the authorized signer may not in any manner affect the rights of the owner or beneficiaries, if any, other than by withdrawing funds from the account. The owner is responsible for any transactions of the authorized signer. We undertake no obligation to monitor transactions to determine that they are on the owner's behalf.

The owner may terminate the authorization at any time, and the authorization is automatically terminated by the death of the owner. However, we may continue to honor the transactions of the authorized signer until: (a) we have received written notice or have actual knowledge of the termination of authority, and (b) we have a reasonable opportunity to act on that notice or knowledge. We may refuse to accept the designation of an authorized signer.

**RESTRICTIVE LEGENDS** - The automated processing of the large volume of checks we receive prevents us from inspecting or looking for special instructions or "restrictive legends" on every check. Examples of restrictive legends placed on checks are "must be presented within 90 days" or "not valid for more than \$1,000.00." For this reason, we are not required to honor any restrictive legend placed on checks you write unless we have agreed in writing to the restriction. We are not responsible for any losses, claims, damages, or expenses that result from your placement of these or other special instructions on your checks.

**FACSIMILE SIGNATURES** - Unless you make advance arrangements with us, we have no obligation to honor facsimile signatures on your checks or other orders. If we do agree to honor items containing facsimile signatures, you authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us. You give us this authority regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose. You must notify us at once if you suspect that your facsimile signature is being or has been misused.

**PLEDGES** - Each owner of this account may pledge all or any part of the funds in it for any purpose to which we agree. Any pledge of this account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective.

**CHECK PROCESSING** - We process items mechanically by relying solely on the information encoded in magnetic ink along the bottom of the items. This means that we do not individually examine all of your items to determine if the item is properly completed, signed and indorsed or to determine if it contains any information other than what is encoded in magnetic ink. You agree that we have not failed to exercise ordinary care solely because we use our automated system to process items and do not inspect all items processed in such a manner. Using an automated process helps us keep costs down for you and all account holders.

**CHECK CASHING** - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

**FICTITIOUS BUSINESS NAME ACCOUNTS** - If the name in which the account is held is fictitious, each account holder represents that one or more of the account holders have the right to use that name and have fulfilled all legal requirements for using and or doing business under that name.

**UNCLAIMED PROPERTY NOTICE** - Your property may be transferred to the appropriate state if no activity occurs in the account within the time period specified by state law.

**INDORSEMENTS** - We may accept for deposit any item payable to you or your order, even if they are not indorsed by you. We may give cash back to any one of you. We may supply any missing indorsement(s) for any item we accept for deposit or collection, and you warrant that all indorsements are genuine.

To ensure that your check or share draft is processed without delay, you must indorse it (sign it on the back) in a specific area. Your entire indorsement (whether a signature or a stamp) along with any other indorsement information (e.g. additional indorsements, ID information, driver's license number, etc.) must fall within 1 1/2" of the "trailing edge" of a check. Indorsements must be made in blue or black ink, so that they are readable.

As you look at the front of a check, the "trailing edge" is the left edge. When you flip the check over, be sure to keep all indorsement information within 1 1/2" of that edge.

(typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and credit union information. This information can be found on your check or draft as well as on a deposit or withdrawal slip. Thus, you should only provide your credit union and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits.** You may make arrangements for certain direct deposits to be accepted into your checking or share savings account(s).
- **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your checking or share savings account(s).
- **Electronic check or draft conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking or share draft account using information from your check or draft to pay for purchases or pay bills.
- **Electronic returned check or draft charge.** You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check or draft is returned for insufficient funds.

**Express Teller (ET) Transfers - types of transfers** - You may access your account by telephone 24 hours a day at (213) 217-5724 using your personal identification number, a touch tone phone, and your account numbers, to:

- make payments from checking to loan accounts with us

**Point-of-Sale Transactions - dollar limitations** - Using your card:

- you may not exceed \$1,000.00 in transactions per day

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to debit card transactions.

**Currency Conversion.** When you use your Visa Debit Card at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

**Advisory Against Illegal Use.** You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

**Home Banking Transfers - types of transfers** - You may access your account(s) by computer through the internet by logging onto our website at [www.mwdfcu.org](http://www.mwdfcu.org) and using your password and your account numbers, to:

- For security reasons, there are other limits on the number of transactions you can make by ATM.
- For security reasons, there are other limits on the number of transactions you can make by debit card.

#### FEES

- We do not charge for direct deposits to any type of account.
- We do not charge for preauthorized payments from any type of account.

Except as indicated elsewhere, we do not charge for these electronic fund transfers.

**ATM Operator/Network Fees.** When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

#### DOCUMENTATION

- **Terminal transfers.** You can get a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not get a receipt if the amount of the transfer is \$15 or less.
- **Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (213) 217-6612 to find out whether or not the deposit has been made.
- **Periodic statements.**
  - You will get a monthly account statement from us for your checking accounts.
  - You will get a monthly account statement from us for your share savings accounts, unless there are no transfers in a particular month. In any case, you will get a statement at least quarterly.

#### PREAUTHORIZED PAYMENTS

- **Right to stop payment and procedure for doing so.** If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how:

Call or write us at the telephone number or address listed in this brochure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

Please refer to our separate fee schedule for the amount we will charge you for each stop-payment order you give.

- **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)
- **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

#### FINANCIAL INSTITUTION'S LIABILITY

**Liability for failure to make transfers.** If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If you have an overdraft line and the transfer would go over the credit limit.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (6) There may be other exceptions stated in our agreement with you.

#### CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4) as explained in the separate Privacy Disclosure.

#### UNAUTHORIZED TRANSFERS

- **(a) Consumer liability.**
  - **Generally.** Tell us AT ONCE if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check or draft. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). You can lose no more than \$50 if someone used your card and/or code without your permission, and, either:
    - (i) your card can be used to initiate a transaction without a PIN or other personal identification number, or

- (ii) you tell us within 2 business days after you learn of the loss or theft of your card and/or code. If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

• **Additional Limit on Liability for Visa Debit Card.** Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Visa Debit Card. This additional limit on liability does not apply to ATM transactions outside of the U.S., to ATM transactions not sent over Visa or Plus networks, or to transactions using your Personal Identification Number which are not processed by VISA®.

**(b) Contact in event of unauthorized transfer.** If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed in this brochure. You should also call the number or write to the address listed in this brochure if you believe a transfer has been made using the information from your check or draft without your permission.

#### ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed in this brochure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days for Visa Debit Card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days for Visa Debit Card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

#### NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements or account histories that you receive.
4. Don't lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.

9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

## YOUR ABILITY TO WITHDRAW FUNDS

This policy statement applies to "transaction" accounts and savings accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

#### LONGER DELAYS MAY APPLY

**Case-by-case delays.** In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$200 of your deposits, however, will be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

**Safeguard exceptions.** In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.

There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

#### SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be

payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the tenth business day after the day of your deposit.

#### DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the second business day after the day of your deposit.

All ATMs that we own or operate are identified as our machines.

**Compounding frequency** - Unless otherwise paid, dividends will be compounded every month and at maturity.

**Crediting frequency** - Dividends will be credited to your account every month and at maturity.

**Time requirements** - Your account will mature on the date indicated on your certificate.

**Early withdrawal penalties** (a penalty may be imposed for withdrawals before maturity) -

The penalty we may impose will equal 90 days dividends on the amount withdrawn subject to penalty.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

**Withdrawal of dividends prior to maturity** - The annual percentage yield is based on an assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings.

**Automatically renewable account** - This account will automatically renew at maturity. You may prevent renewal if we receive written notice from you before maturity of your intention not to renew or you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any). We can prevent renewal if we mail notice to you at least 30 calendar days before maturity. If either you or we prevent renewal, dividends will not accrue after final maturity.

Each renewal term will be the same as the original term, beginning on the maturity date. The dividend rate will be the same we offer on new term share accounts on the maturity date which have the same term, minimum balance (if any) and other features as the original term share account.

You will have a grace period of seven calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty.
